At the last meeting, held with Mrs. Sylvannus and Miss Ethel, the club decided to discontinue serving luncheon as a mere drop in the bucket toward practical economy. Among other features of the afternoon's pleasure was the making of plans for the meeting to be held in August at the school house, where Mrs. Phelps will meet with us in the interest of food conservation. Plans are being made for an all day meeting, and each one will bring a well filled basket, combining business with pleasure. The next club meeting will be with Mrs. John Gillard, July 26.

After two months' vacation, the first she has had in five years faithful work in the Chamber of Commerce, the last year as secretary, Miss Nettie Perkins is at her desk again, and we are all glad to see her back, with renewed vigor and determination to introduce still better methods of publicity.

She says she prefers the sunshine of New Mexico to so much rain, and we are all pleased to welcome her "home again."
